

# PhD Retreat 2013

## Cardiovascular Research

### June 7<sup>th</sup>

Sonnenborgh / Utrecht

#### Program:

08.45 – 09.15 Coffee/Tea

09.15 – 09.30 Welcome

09.30 – 10.30 Prof. Dr. Michiel Bots

*Michiel Bots is a professor of epidemiology of cardiovascular disease at the UMC Utrecht. Prof. Bots has a broad interest and experience in cardiovascular epidemiology, in etiologic, diagnostic, prognostic and therapeutical research trials. The title of his interesting presentation will be "The cardiovascular polypill: a simple solution to a complex problem".*

10.30 – 11.30 Ms. Willy Atema

*Willy Atema is an expert on art history and we are very pleased to have the opportunity to hear a lecture from her during the retreat. Ms. Atema specializes on the golden century of Dutch History and though we keep the title of her presentation as a surprise, her talk will be humoristic, motivational and related to "(genees)kunst" in dutch or (loosely translated to english) the art of medicine.*

11.30 – 12.30 Lunch

12.30 – 14.00 Speed dating (A4 Poster session)

14.00 – 14.30 Coffee/Tea

14.30 – 15.30 Quiz
